Hot off the heels of his involvement with the very successful release of **ECHO IN THE CANYON** soundtrack & film with

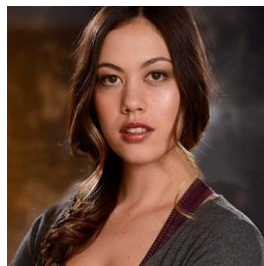

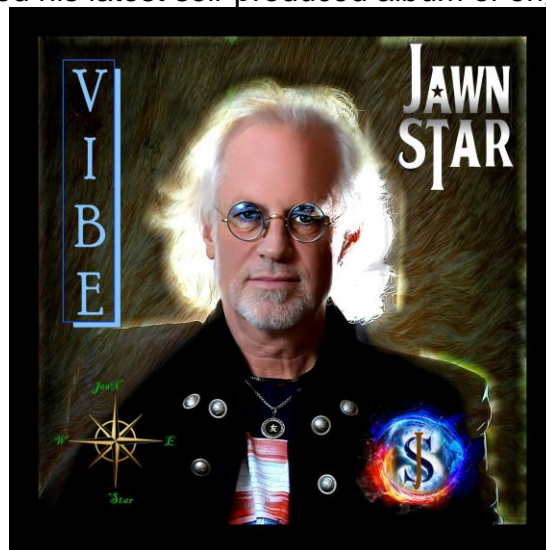

JAKOB DYLAN

and Producer **DAVE WAY**

JAWN STAR has just released his latest self-produced album of original material entitled, "**VIBE**".

The lovely and multi-talented **MALA DI**'s roof-raising vocals are again featured on several tracks

while "PLAYER" & ROGER WILLIAMS drummer **JIMMY CARNELLI**

melts the hard drive with some serious *grooves*.

Virtuosa cellist **RUTI CELLI** goes straight for the heart, layering her magic melodies on the tracks **BREATHE, OK, LOOK AT ME** and a couple of symphonic 'cuddle cuts' (bonus tracks :-)

JOHNNY ENGLISH Alumni, **JULIE PASCHALL** lends some bluesy and atmospheric vocal textures on **NORTH, TOO MUCH & OK**.

Guest muso **KEVIN F. WALSH** delivers a solid, tasty bass line on **NORTH** and **THE BOID & AMBER DAHLINE** round out the **Star Choir** with a rousing final chorus of "**Everything Is Gonna Be OK...**". No guest artists were harmed in the making of this record. For the most part... **JAWN STAR & Friends** will be promoting **VIBE** with a series of performances in and around the Southern California area throughout the summer and beyond.

Earlier this year in March of 2019 **RONN MOSS** and **JAWN STAR** took **Australia** by storm...

With their two-man acoustic show, the members of **PLAYER** thrilled crowds from **Perth** to **Brisbane**.
A 2020 **OZ/NEW ZEALAND** tour is in the works...

The **FALL of 2019** will see the return of **RONN MOSS' PLAYER** with a familiar and stellar lineup that promises to include some interesting surprises...
